## PRINCIPAL'S / SCHOOL IMPROVEMENT COUNCIL REPORT

McClellanville Middle School strives to educate students in grades 6-8 through a rigorous, relevant curriculum that addresses the various needs of adolescents. Students are challenged to become life-long learners and productive citizens.

According to the five-year School Renewal Plan, the major goal of McClellanville Middle School is to have 100% of the students score at or above the Proficient Level in Reading/English/Language Arts and Mathematics on the PACT. The interim goal is to decrease the number of students scoring in the Below Basic category on PACT by 10% per year. Toward that end, we reached the Spring 2000 goal by decreasing the number of students in the Below Basic category by 10% in mathematics. You will notice that as students' scores decrease in the Below Basic categories, there will be an increase in the Basic, Proficient, and Advanced categories.

Together, we can continue to help our students make academic progress. We invite you to join us in a combined effort to help promote academic excellence at McClellanville Middle School. Please call us at 887-3232 to join our team or to receive more information.
